Members Monthly Draw

Our March Disc draw was for this lovely MVP Orbital Special Edition, provided by our Supporter [London Disc Golf Community](#). Congratulations goes to our lucky member, [Leigh Williams](#). Hope you enjoy your new disc Leigh.

Bag Tag exchanges and new discs

More reports of Bag Tag challenges and exchanges are coming through along with some photos of some very happy faces. Our Supporter The West Plaza Tomato Company we are sure will be delighted to see more photos as the weeks go by.

All Members taking photos of their bag tag challenges and posting them in our private UK Women's Disc Golf Association Facebook Group, will be entered into a mystery draw in September, just before our [UK Women's Disc Golf Championships/PDGA Europe Women's Event](#)

We are also getting even more reports of approval for the discs provided by our Supporter [MVP Disc Sports](#). Manufacturers out there, lighter weight discs are working well for new and improving players, just saying.

Disc Golf play away

This month we have some more travelling disc golfers, Elva Preston and Ophelia Byrne in Mijas, Spain enjoying some early Spring sunshine. Make sure you pack a disc or two when you travel. You can use our Supporter Udisc's App to find any course in the world.

Ask the Pro....

One of the benefits of being a member of the UKWDGA is the opportunities we create.

Zoë Andyke, Professional Disc Golfer and founder of Uplay Disc Golf, as well as Patroness of the UKWDGA,

has offered to have a monthly half hour video session with UKWDGA Members starting in April. The opportunity to chat with Zoë about a variety of topics regarding techniques, form and anything else you'd like to know to help you improve as a disc golfer will form the basis of these sessions. We are finalising the details and as well as an announcement in our Facebook Group, members will receive an email with joining information each time. We hope you will come along and participate. It doesn't matter what the question, if you're thinking it we are sure many are too, some come along, we can promise it will be fun.
