## UKWDGA members growing the sport

This month UKWDGA members have been putting time in to bring disc golf to

others. Laura Brown put together this great blog on an event held by herself and other members of the Liverpool Disc Golf Community, please take the time to read it

[Bowring get into disc golf.](#)

Members Carole Findlay, Catriona Archibald, Amanda Humphries, Louise

Carey, Kelly Martin, Jody Boocock-Martin and Esme Martin all went along to the Sherwood Pines disc golf day

and helped show newcomers how to throw, carried out some demonstrations

and generally showed the people there that women and girls can play too. Sherwood Pines reported that despite a slow start they had over 200 people hire discs (for free) and gave disc golf a go. They also emailed to say... "UKWDGA - We wouldn't have been able to do any of it without your help, so thanks again. We plan on hosting the event again in 2024 and look forward to seeing you there."

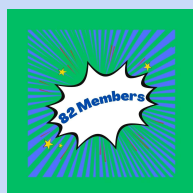

We would like to give a thank you to [Disc Golf UK](#) and [PDGA Europe](#) for their sponsorship/grant towards our new

gazebo. This will help bring more visibility to all types of our events, whether we are helping others to discover the joys of disc golf or at other UKWDGA events held around the UK.

### How many Members!!

As a result of the event at Sherwood Pines, our coaching and interaction resulted in more members and we now have blown through the 80 mark and now have 82 Members. We welcome all our members to join in our community and help each other out by joining each other for supportive play.

### Members Monthly Draw

For our free Members August Disc Draw we had this [Axiom Discs Paradox](#), provided by our Supporter [London Disc Golf Community](#). Congratulations goes to

our lucky member, **Leanne Wells**. Let us know how you get on with this one.
