- **Autumn Putting League**
- **Dates for your diaries**
- **2023 Bag Tag League**
- **Members monthly Draw**
- **Listening to Feedback**
- **Photo Gallery**

### Preparing for the 2024 Membership Year

Preparations for the 2024 Membership Year have been underway for a few weeks now. Deciding on Bag Tag designs, organising Bag Tag printing, contacting current and prospective Supporters/Sponsors to see if we are able to encourage a further year of support for women's disc golf, reviewing 2024 Events and venues, as well as taking on the feedback from the Members questionnaire. We are aiming for the opening of the 2024 Membership year from mid-late November. We will keep you updated on that.

### Autumn Putting League

As the tournament season has drawn to a close it's worth mentioning that disc golf can be played all year round. We've heard a number of members mention recently that they have been thinking

about running putting leagues. Gabriella Everett volunteered to run a Members Autumn Putting League. Although it's already kicked off you can still join the league late, but it might affect your likelihood of earning enough points to win a prize. Check out the details [here](#) and go give it a try.

### Dates for your diaries

Following consultation and agreement with the British Disc Golf Association (BDGA), Scottish Disc Golf Association (SDGA) and All Ireland Disc Golf Association (AIDGA) here are the dates for **UKWDGA Events** next year:

- **Winter Wonderland - January 6th**
- **Spring Sling + Women's Global Event (WGE) - May 18th**
- **Summer Soirée - June 22nd**
- **UKWDGA Championships - September 7th.**

All venues to be confirmed based on a number of factors such as cost, available time to host (as we are all volunteers and work things around other commitments) and who can TD, to name a few.

We hope you will pop these in your diary now so you can plan your time and come and join us for disc golf fun in 2024. We will announce venues in November.

## 2023 Bag Tag League

The 2023 Bag Tag League will be closing on November 30th, so there is still time to make those challenges

and try and get the numbered tag you want to keep for posterity. The prizes for the 1st, 2nd and 3rd places are

these gorgeous bags donated by Rebecca from [Carbella Designs](#). We will also have a little something for a draw for those who've submitted #bagtag photos to our members Group. We love all the photos submitted from Members so keep them coming.

## Listening to Feedback

Following feedback from the UKWDGA, [Ace Disc](#)

[Golf](#) have created a [lightweight discs section](#), so it is easier to find lighter weight discs to suit everyone's game. Thank you Ace DG.

## Members Monthly Draw

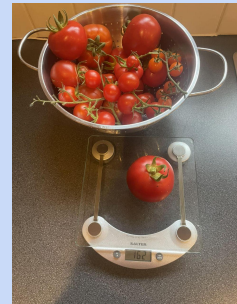

For our free Members October Draw we had this [Axiom Fission](#) [Insanity](#) provided by our Supporter [London Disc Golf Community](#).

Congratulations goes to our lucky member, **Jessica Clegg**. We hope you enjoy this addition to your bag.

## Photo Gallery

Zoë Woodward has been growing Tomatoes from the pack of seeds she got from her 2023 Membership Benefits!

More Bag Tags and camaraderie!

Gabi Everett got a signed disc from the PDGA Europe Women's Event Raffle

Our Patroness [Zoë Andyke](#) is teaching women & girls in African countries, Uganda & Kenya this month.
