Happy New Year

A big Happy New Year to all our Members and Supporters. Here's to a year of continued development of the UK disc golf scene, more women and girls being encouraged to play and disc golf Tournaments being more inclusive and catering for all divisions.

We wish everyone a wonderful year whether you're pitting yourself against your local course to improve your scores, playing with friends or introducing others, competing for the first time or moving up divisions to challenge yourself further. Have a great 2024 year.

2024 Membership

Our 2024 membership is well under way and everyone gets a Bag Tag amongst other [benefits](#). This year we have given Members the option to join the Bag Tag League rather than it being automatic. This makes managing the League table

easier and participants can see who is taking part and who they may wish to challenge. Only those who have elected to be part of the League are listed the Website [page](#) as we know that not everyone wants to compete, whether in a league or disc golf tournament.

2024 Winter Wonderland Event

Firstly thank you to all who registered to play at our 2024 Winter Wonderland. With a record number of players for this event we were looking forward to our first event of 2024. However due to a shocking amount of rain preceding the event, Matt at Gilly's contacted us stating he had no choice but to cancel the event.

The ground was over saturated and with so many players it would cause too much damage to the course. He

apologised for letting everyone down but needed to preserve the woodland as best he could. We offered reimbursement to all. **A HUGE THANK YOU** to those who elected to donate their entry fee to the UKWDGA.

Thanks everyone for your understanding.

Members Monthly Draw

We have some exciting prizes this year for our free Members [Monthly Draw](#). Our Supporter [MVP Disc Sports](#) certainly surprised us

with their offering for which we are immensely grateful for their support. What better way to start the year than with this month's prize of an [Axiom Lite Basket](#), designed to be compact and portable so you can take it anywhere to practise. The lucky winner of this prize for January 2024 is **Ophelia Byrne**

2024 UKWDGA Supporter

We are always grateful for the support extended to the UKWDGA and the many ways this is given. For 2024 we had opened up 10 opportunities for a Supporter Tag plus a Udisc discount code in exchange for a donation. We would like to extend a big public **THANK YOU** to the following 2024 Supporters for their generous contributions; **Alan Cosh, William B. Woodward, Jamie Pirie, Paul Chick, Mike Beard, Ben Matthews, Harry Messenger, Garry Webb and Kevin Shorey, Carole Findlay**. The donations given will go towards us continuing with our aims and objectives, to get more women and girls participating in this wonderful activity of disc golf and support those who are already playing.

Christmas Draw & Personal Tag

Last month we announced that all 2024 members signed up by December 31st 2023 would be entered into 2 draws. A draw for this Bag, provided by our Supporter, [Innova Discs](#)

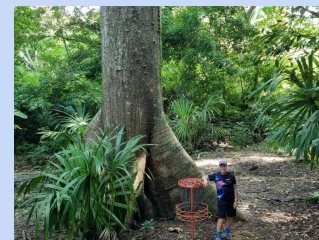

and another draw for a personalised wooden/pyrography Tag, made by Secretary Carole Findlay, especially designed for the winner.

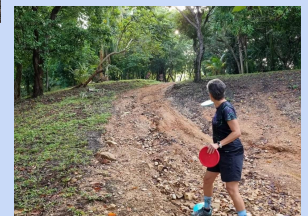

The Christmas draw for the Innova Bag came as a surprise to **Rachel Sanig** and the winner of the personalised tag went to **Amanda Humphries**. A lovely start to 2024 for 2 members.
