

Beyond the Flight

Communication from the UK Women's Disc Golf Association

Issue 28 - February 2024

IN THIS EDITION

- **2024 Annual General Meeting**
- **Bingo Fundraiser Night for Elva**
- **2024 Spring Sling & WGE**
- **Members Monthly Draw**

February is always a quiet month and the weather has been particularly unkind with a number of events around the UK being cancelled. However, we have a few announcements, so here we go....

2024 Annual General Meeting

We are fast approaching the time for the UK Women's Disc Golf Association Annual General Meeting (AGM)..

The meeting is a necessary constitutional process to reflect on the past year and sign off our finances.

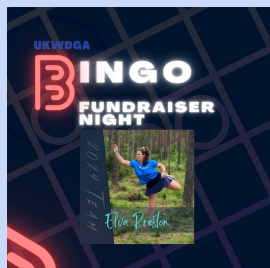

Prior to the AGM it will be time for Board Elections to take place as well as any other roles on offer to be applied for.

During the next week Members will receive an email outlining the positions available, how to apply and the timescales. At the end of March Members will be contacted with details of applicants and will be required to vote. The outcome of the voting will be submitted with details of the Agenda and Executive Board Reports in time for the AGM.

The AGM will be followed with a Bingo Fundraiser at 7pm. See the details below.

Bingo Fundraiser Night for Elva

Our UKWDGA Treasurer, Elva Preston has been contributing so much to the disc golf scene as well as the UKWDGA during the last couple of years, so we've decided to hold a Bingo Fundraiser Night to help her with her 2024 quest.....

Elva said "This year I will be competing on the DGPT Euro Tour. So far I have spots secured at the Belgium Open, Norway Open, Heinola Open and the Ale Open with hopefully two more events still to be entered in a few weeks time. Thanks so much for the support and I can't wait to go out there representing Team GB and the UKWDGA"

So Members come along to this event, which will follow the AGM. We will have 2 games with prizes for Full House, 2 Lines and 1 Line in each game. All proceeds raised will go to help support Elva in her European campaign. Details on how to sign up will be out soon.

2024 Spring Sling & WGE

We are excited to be taking disc golf to North Wales this year. The Registration for the 2024 Spring Sling & WGE, to be held at Silver Birch Disc Golf Course, Betws-yn-Rhos, Abergelge, will be opening in early March, with UKWDGA Members and Supporter Tag holders getting the chance to register first.

As well as a PDGA Women's Global Event this tournament is also an affiliated BDGA Tour event, so all players looking to gain Tour points can play here too. Lot's of information will be on the Registration Form, so look out for the announcement.

Members Monthly Draw

For our free Members [Monthly Draw](#), sponsored by our Supporter [MVP Disc Sports](#), we had a great addition for any disc golfer, certainly playing at the moment, an MVP Umbrella..

The lucky winner of this prize for February 2024 was **Melodie Zehnder**. Congratulations Melodie.
